I understand and agree to the following policies and procedures (please check the boxes to confirm):

- The member host must be present while I am driving on track.*
- I am only allowed 4 guest visits per year.*
- Access to the track could be sessioned for cars and motorcycles.*
- I am not allowed to have passengers, unless it is an MSR Houston approved instructor.*
- Passing is only allowed on the straightaways with a point-by.*
- If I have an issue and need to stop, I will pull off-line and stay in my car or near my bike until the safety truck arrives to help.*
- If I go off track, I will use caution when returning to the track and look for other cars/motorcycles.*
- The track direction will be posted in the main office, and I will only go that direction. If I miss the pit lane entrance, I will not back up or make a u-turn.*

If you have any questions at any time, please contact the main office or the Safety Manager in the control tower.
